BE PREPARED FOR 4-H SUMMER PROJECTS SIGNUP

It doesn't feel like it now, but summer will be here before you know it! That means its time to get prepared for 4-H Summer Project Days sign up on **May 9**. The easiest way to sign up for classes is to use our online registration system, which requires an enrollment form to be on file and an online profile established. Students that have 4-H in their classroom are not necessarily enrolled as an individual 4-H member. Enrollment forms may be obtained at the Extension Office or online at <https://boone.ca.uky.edu/4h-youth-development>.

An enrollment form must be turned in by April 28, 2023 to participate in the Summer Project Days.

Any enrollment forms received after April 28 will be noted and you cannot sign up for classes until May 16. If you have completed and submitted a 4-H enrollment form for the 2023 program year, you will already have an account set up in our online system. When your account was created an email was sent to you with your login name and temporary password. However, we realize you may have forgotten or misplaced this information. **Now is the time to call the Extension office at 859-586-6101, or email boone.ext@uky.edu to retrieve your login information.** Please do this now-don't wait for sign up day, so you will be ready to go when summer projects sign up day is here on May 9.

Happy Spring! Although I am not a fan of losing an hour from daylight savings, I do enjoy seeing daylight in the evenings again. We would like to welcome our newest 4-H Assistant Lisa Casteel (far right). Lisa will be a wonderful addition to our talented 4-H team.

Our 4-H Assistants have been very busy planning fabulous summer programs for you this year. Be on the lookout for the program listing soon.
