## Summer Project Days

Summer Project Days start June 6. Mark on your calendar the classes you signed up for. You may have noticed that these classes are popular and many are now full. If you have signed up for a class and cannot attend, please call and cancel so that another 4-H'er can take the class. We have put the schedule on our Summer Fun pages of the newsletter for your reference or you can find it online here: <https://bit.ly/42EWlq5>

Also, if you have signed up for a Project Day, don't forget to bring your lunch. We're looking forward to a fun and creative summer—and lots of projects to enter into the Fair in August!

# Welcome

Hi, I am Rusty Wolf, I recently started as the new 4-H Youth Development Agent! I graduated from the University of Kentucky in December with a degree in Animal Science. I grew up in Campbell County where I was an active member of 4-H and FFA. I am excited to be apart of this program and I look forward to meeting you all as I become acclimated with my position.
